Current Law Library Volunteer Opportunities

The Library is looking for individuals to fill the following volunteer positions:

Publicity and Marketing Assistant

Reference Assistant.

Volunteer Coordinator.

The Library also has opportunities for volunteers to create positions around their own interests and skills.

For more information and/or for position descriptions, contact the Library or visit the "Volunteers" page on the Law Library's website.

Library Volunteer Program

The Law Library Volunteer Program provides a capable and dependable voluntary work force to assist with the day-to-day operations of the Law Library and its special projects. This work force supplements the paid Library staff and allows the Library to provide the best possible service to local judges, attorneys, and the public.

The Volunteer Program is instrumental in linking a valuable community resource - the citizens - with a valuable community institution - the Douglas County Law Library - for the benefit, growth, and enrichment of both.

If you or someone you know might be interested in volunteering for one of them, or if you would like more information on our program and/or the positions we have open, please contact the Library or visit the "Volunteers" page on the Law Library's website.
